

MESSAGE

from the
chairman

I extend a very hearty welcome to all prospective parents who have shown interest in D.P. Vidyapeeth. Students are the nation's most valuable and creative assets. Their imagination is the key for building a great future for our country. We recognize this fact and encourage each one of them to achieve their goals and missions in life ahead. We endeavor to build up character of the students from the very childhood and are taught to honor family and social values.

The school is committed to prepare individuals academically and instill in them self-confidence, to face the world and the future with a positive approach. Our endeavor is to promote intellectual excellence, uprightness of character, emotional maturity, scientific temper, spirit of healthy competition and accountability through both scholastic and co-scholastic activities.

Here, my heart fills with pride and pleasure as I perceive the progress being made at D.P. Vidyapeeth and as it grows from strength to strength. I have every hope and belief that D.P. Vidyapeeth is going to become a premier institution of its kind in this part of the world in the near future.

I, on behalf of the institute and the dynamic team of the school, welcome you to D.P. Vidyapeeth. We are fully aware of the great trust you are reposing in us by entrusting your child's education to our team of teachers. We assure you of our commitment to this endeavour. I also extend my best wishes to the Managing Trustee, Principal, Staff and Students of D.P. Vidyapeeth, as they continue their journey on the road to excellence.
